Statement of Intent published.

We have released our *FY2019-21 Statement of Intent (SOI)*. The SOI is published annually and sets out Gas Industry Co's Work Programme for the coming year, together with an indication of expected activity for the subsequent two years. These were developed in consultation with stakeholders. The *Statement of Intent* can be found [here](#).

2018 Levy Regulations take effect.

The Gas (Levy of Industry Participants) Regulations 2018, which provide for Gas Industry Co's wholesale and retail levies for the financial year ended 30 June 2019 came into force on 1 July 2018. The levies were also developed as part of the consultation process referred to above. The 2018 Levy Regulations can be found [here](#).

Consumer switching numbers for June 2018 available.

The Gas Registry statistics recording gas consumer switching numbers for June 2018 are available [here](#). There were 3,852 completed customer switches during June 2018 – 539 less than May 2018, and 113 less than June 2017.

For the last couple of years switching numbers and the time to complete a switch have been relatively stable. In the last 12 months we saw on average 3,838 switches taking place a month and they took on average two days to complete. During that time the highest numbers of switches occurred in May 2018 (4,391) and January 2018 saw the lowest (3,227).
