Draft minutes of 7 – 9 August 2018 GTAC workshop

The draft minutes of the 7 – 9 August 2018 GTAC workshop can be found [here](#). Stakeholders may provide high level comments on the draft minutes at the start of the workshop on 22 August 2018, or may provide written comments by 5.00pm, Friday 24 August 2018. Comments can be made [here](#).

Independent Facilitator for GTAC workshops

Gas Industry Co is pleased with the level of stakeholder engagement at GTAC workshops and the quality of the discussion between First Gas and stakeholders. We believe that the appointment of an Independent Facilitator (IF) has been a valuable addition to the process.

David Smol will be overseas for the GTAC workshops after 22 – 23 August and will be unable to continue in the role of IF. To ensure that the workshops continue to be an effective form of engagement, Gas Industry Co has appointed Mike Underhill as the IF for the GTAC workshops after 22 – 23 August.

Mike's experience includes a number of senior roles in the electricity industry including as Chief Executive of the Energy Efficiency and Conservation Authority (EECA).

Mike will be attending the GTAC workshop on 22 August as an observer.
