## GTAC Final Assessment Paper expected end of February

Gas Industry Co has received nine submissions on its 5 December 2018 paper 'Preliminary Assessment of October 2018 Gas Transmission Access Code (GTAC)'. These can be found [here](#).

On our preliminary review of the submissions it appears that we should be able to complete our analysis and publish a Final Assessment Paper by the end of February.

Gas Industry Co thanks all submitters, for their continued constructive engagement with this process.

## Mark your diaries – Industry training

The annual test exercise under the Critical Contingency Management Regulations is scheduled for **Wednesday, 8 May**.

In advance of the test exercise, the Critical Contingency Operator will hold training sessions so that industry participants can refresh their understanding of what happens during a critical contingency and how they are required to respond. The following sessions are planned:

Location	Date	Time	Venue
<b>New Plymouth</b>	Wednesday, 3 April	10.00am – 12.00 noon	First Gas 42 Connett Road West Bell Block
<b>Auckland</b>	Tuesday, 9 April	1.00pm – 3.00pm	Genesis 660 Great South Road Greenlane
<b>Wellington</b>	Wednesday, 10 April	10.00am – 12.00noon	Gas Industry Co 95 Customhouse Quay Level 8 The Todd Building

Reminder notices will be sent out closer to the time inviting you to RSVP accordingly.
