Long Term Gas Supply and Demand Scenarios – 2019 Update

Gas Industry Co is pleased to release the Long Term Gas Supply and Demand Scenarios – 2019 Update. The report is available on our website [here](#).

Industry Notifications on Gas Industry Co website.

In August, Gas Industry Co developed a function on the Industry Notifications page for subscribed users to be notified of any new notifications posted on the page.

A couple of notifications were posted to that page on the weekend. Due to a technical issue, stakeholders who subscribed to receive notifications did not receive any new notifications. Our website provider is currently working to fix this issue. We apologise for the inconvenience.

You can find those notifications [here](#).
